## Join Our Team!

Rocky's of Savannah was founded with a simple but powerful vision: bring the **authentic flavors and experience** of a New York Italian deli to the heart of **Savannah**. Owner Bill, originally from Malverne, New York, grew up surrounded by the rich food culture of traditional delis and Italian kitchens. He brought that passion south to create a place where **quality, authenticity, and community** come together.

At Rocky's, we're more than just a deli and catering company—we're a family. Our goal is to provide every customer with exceptional food and genuine hospitality that feels like home. From handcrafted sandwiches to full-service catering, we take pride in every detail and every interaction.

We are looking for team members who share that same passion. Our staff is the backbone of our business, and we hold high standards when it comes to customer service, teamwork, and work ethic. We expect employees to be **reliable, positive, and dedicated** to creating a welcoming atmosphere for every guest. In return, we offer a supportive environment where hard work is recognized and rewarded.
